Get Your Give **ON-Line**

WHAT

Get Your Give ON-Line

Again this year, we are continuing to promote online giving. Why? Online giving is the most convenient and efficient means of giving. The convenience of pledging online allows you to complete your pledge to the CFC from the privacy and comfort of your computer. Finding charities of interest is easy through the interactive search tool. Search, sort, and filter charities to find the ones that deserve your dollars. You can even research through charity websites while you are creating your pledge. The math is made simple and the automatic accuracy means no additional follow up. Simply enter the amount per pay period and decide how much of your total annual donation goes to each charity. Accessibility is another reason online giving is so convenient. All you have to do is log in to your online giving account at any time to view, print, or email pledges you have made in the past. This is convenient for the tax season. The returning donor will appreciate the replication feature of online giving. Simply replicate your previous year's pledge. You won't ever have to look for that previous year's pledge form again. And, online giving is green. Pledging online means fewer pledge cards and charity catalogs need to be printed. Finally, because your online pledge card is fully legible, with perfect math, and designated to the charities you decide, the CFC and payroll center's time for each pledge is greatly reduced thus significantly increasing the efficiency of giving.

We are so confident online giving is the way of the future, the CFCs around the country are raising awareness about the convenience of giving electronically by promoting nationally, **Get Your Give ON-Line**, a week-long campaign blitz that will run from **November 16-20, 2015**. The blitz is designed to showcase the convenience of giving electronically to CFC charities. The goal is to inspire and unite Federal employees in supporting hundreds of CFC charities across the country and around the world. It's a wonderful opportunity to connect with others that give to charities through the CFC. Support the first annual **Get Your Give ON-Line** by joining other Federal employees to raise millions of dollars for CFC charities. Go to: NorCalCFC.org and click the pledge online link. There you will have several choices for online giving: CFC NEXUS, Employee Express, MyPay or the PDF version of the traditional pledge form. Of course you may make contributions prior to this blitz and afterwards and traditional pledge forms are accepted.

Try it out and Get your Give ON-Line!

WHERE

To make your donation on-line,
using your mobile device,
scan the code above or go to
www.cfcnexus.org/_cfcnocal/mobile
using your computer go to
