## PUBLIC SERVICE RECOGNITION WEEK

MAY 3-9, 2020

### I serve because...

"I began my career more than 30 years ago at F.E. Warren Air Force Base in the civilian personnel office. Through the years, I worked in many different places, for agencies with a variety of missions. The one constant was my co-workers' dedication to service in their respective fields of expertise. I appreciate as a federal employee; I serve the broader mission of establishing a society where small businesses thrive, and the average person has many opportunities for pursuing their life goals."

Bonnie Macaraig, Regional Administrator, Dept of Labor
